

# Speech Therapy

11c Hillgate Place. 18-20 Balham Hill Road. London SW12 9ER

## Getting there

Clapham Junction

Clapham South Tube Station (3 mins walk)

Bus 155..249..355 stop outside

## Parking

We do have parking bays outside of the clinic but parking in these is not always guaranteed. We have a permit to park there which needs to be collected just before the start of the session. The permit can be collected from the notice board outside the office. Please do not forget to return it!

For people with a blue badge you can park after 10am in the red-route boxes outside M&S and also on Hazlebourne Rd and Gaskarth Rd (both off Balham hill opposite M&S). Gaskarth Rd also has pay and display bays.

There is plenty of residential parking in surrounding areas and Tesco at Clapham South also has a carpark should you need to shop also.

Please ensure enough time to park prior to arrival as it will not always be possible to accommodate your full session if you arrive late.

## Access

Please come to the 11c door (at the end on the left) and press the Speech Therapy intercom to let us know that you have arrived. Even if the door is open and you are able to enter press the buzzer to let us know that you have arrived. We may be consulting or finishing a session in which case we would ask you to take a seat at the bottom of the stairs.

Whilst we will try to keep time between sessions for change over, some do end up running back to back and we need to be mindful of this.

We are on the second floor of the building and unfortunately do not have lifts. It is possible to leave buggies at the bottom of the stair case and we can help carry bags on arrival if needs be should you need to carry your child.

Toilets are on the first floor.
