## PARKING AT THE CLINIC

We have a parking permit for clients to use when parking at Hillgate Place. Parking spots for the offices are limited, and not specified. They are on the left side of the drive when you enter the premise. You will need to collect the parking permit from the clinic and this must be returned just before the end of the appointment.

Please do not park or drive through the archway at the end of the drive as this is strictly residential.

## OFFSITE PARKING

There are plenty of residential roads with parking near the clinic. After 10am, Blue-Badge bays can be found on Balham Hill (outside M&S) and also on Hazelbourne Rd and Gaskarth Rd. There are pay and display spaces on Gaskarth Rd too. If you have shopping to do there is a Tesco carpark near Clapham South Tube Station, which is about a three-minute walk.

Please allow plenty of time to park prior to your session as appointments will run to schedule and extensions may not be possible for late arrivals. Whenever possible, therapists will be flexible.

We look forward to meeting you. Please do text your therapist if you are having difficulties finding us.
